**LEADERSHIP POSITIONS-** List all appointed or elected leadership positions, **minimum of two**, held in school, community, or work activities, and the years you have participated in each. **SERVICE ACTIVITIES-** List service activities in which you have participated (**minimum of 25 hours with no more than 15 hours counted from a single activity**). Generally speaking, service activities are those that are done on behalf of others (not including immediate family members) for which no compensation (monetary or other) has been given. Please list the name of an adult supervisor who can verify your participation in each activity and years of involvement with each AND numbers of hours/days the project lasted (e.g. one hour one time; one hour once a month; two hours weekly). In addition to your application, you are required to submit a letter from two of these adult supervisors confirming the specific number of service hours completed under their supervision. Letters need not be in-depth letters of recommendation—a simple note confirming the service hours will be sufficient.

REFERENCES—please *list* the name or names of one or two high school teachers you feel that are most familiar with you and your accomplishments (You don't need teacher signature(s)).
