

Octorara Field Hockey

March 6, 2018

Dear Parents,

It's time to get our 2018 Budding Braves Field Hockey Program organized. The Budding Braves Hockey Camp will be combining our high school hockey players with your young hockey enthusiasts in a day camp setting.

Our youth camp is intended to introduce the sport of field hockey to potential players who have completed **grades 2-7**. Present field hockey players, alumni, and coaches will help lead the camp. Your young hockey player will be able to interact with positive role models and learn basic hockey skills. We are excited to see the numbers of young hockey players growing.

We will be conducting the camp on the Junior High School field hockey field (behind the Intermediate building) from **9:00 am until 12:00 pm**. Monday through Friday, **June 18th—22nd**. Parents are always invited to come and see what is so exciting about hockey!

Please note on the registration form that we can order a stick kit for you, or you may bring your equipment. The t-shirts (our camp gift) are yours to keep. All players must have a mouth guard, shin guards and goggles (astm 2713-14 approved). If you purchase a stick kit, it is yours to keep. It will provide the opportunity for many hours of practice and skill development.

The stick measurement is important. You are to measure from the floor to the top of your child's hipbone. They should have on their sneakers, as that will influence the total measurement. Be sure to include your measurement, if you need us to purchase a stick kit for you.

Girls attending camp should bring a snack to eat during the breaks. We do encourage our high school players to bring fruits and vegetables as their snack because it helps keep the players hydrated. Each girl should definitely bring a water bottle with her. They should also wear flat sole sneakers, tie their hair back, and dress appropriately for physical activity.

The registration form is enclosed. Any questions: please contact Melissa King at mrkbc@epix.net. The application due date is very important. We have to place the equipment order before the school year ends.

Applications should be sent to:

Melissa King
81 Highland Road
Atglen, PA 19310

Applications must be received by **May 21, 2018**

Checks must be made payable to: Octorara Field Hockey Boosters
